Here is the link: https://youtu.be/-9xFJT_fyQQ</p> <p><u>Speaking & Listening</u> Talk to a family member about some questions you would ask Nick Bland (the author) about his book. What do you want to find out?</p>	<p>English <u>Independent Reading</u> Spend some time reading your PM books online or any books you have at home.</p> <p><u>Reading & Viewing</u> If possible, listen to the story 'The Very Cranky Bear'. Here is the link: https://youtu.be/-9xFJT_fyQQ</p> <p><u>Speaking & Listening</u> Talk to a family member about what happened at the beginning, middle and end of the story.</p>

Writing

Draw and write about your perfect place to play. Why is it the best place to play? What would be there?

Read your message and check that it makes sense, the words look right and the story sounds right when you read it aloud.

Spelling/Grammar

These words come from 'The Very Cranky Bear'. They are all verbs (doing words).

Practise saying and writing these words correctly:

stomped	fetchd
cheered	looked
scratched	turned

Writing

Draw and write about the different ways the characters tried to help the very cranky bear.

Read your message and check that it makes sense, the words look right and the story sounds right when you read it aloud.

Spelling/Grammar

Brainstorm words that end in -ed.

Draw pictures to go with your words.

- ed

Writing

Draw and write a message about what you would do to cheer up the bear. What would you try?

Read your message and check that it makes sense, the words look right and the story sounds right when you read it aloud.

Handwriting

Copy the message below and use your neatest handwriting. See Page 6 for a larger version.

Zebra, Lion and Moose ran out and Bear was right behind them.

They hid behind the bushes where they hoped he wouldn't find them.

Writing

Write 5 questions for Nick Bland about his book. You might like to record yourself asking your questions and share them on Seesaw instead.

Read your questions and check that they make sense and the words look right first.

Spelling/Grammar

These words come from 'The Very Cranky Bear'.

Brainstorm and write words that rhyme with:

sleep

Brainstorm and write words that rhyme with:

cold

Writing

Draw a picture about the beginning, middle and end of the story.

Write a message about each picture.

Beginning
Middle
End

Read your messages and check that they make sense, the words look right and the story sounds right when you read it aloud.

Handwriting

Copy the message below and use your neatest handwriting. See Page 6 for a larger version.

As Bear stormed back inside the cave, he turned and roared at sheep.

All he wanted was a quiet place to sleep.

Middle

Mathematics
Number Talk

Look at this picture.
Count the skittles. Try not to count them by ones.
What strategies can you use to count these skittles?

Two-Dimensional Space
If possible, view this video on 2D Shapes:
<https://youtu.be/24Uv8Cl5hvl>

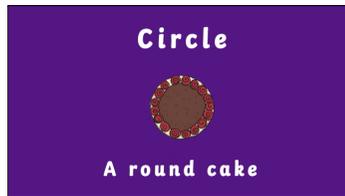

Mathematics
Number Talk

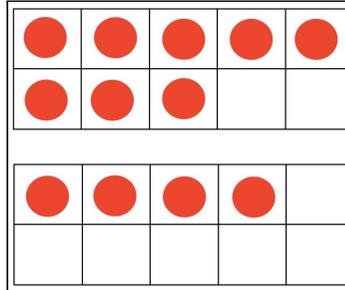

Look at this picture.
Count the cupcakes. Try not to count them by ones.
What strategies can you use to count these cupcakes?

Two-Dimensional Space
If possible, view this video on 2D Shapes:
<https://youtu.be/PqDxLCXRPyw>

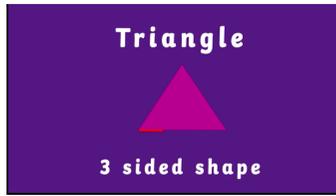

Mathematics
Number Talk

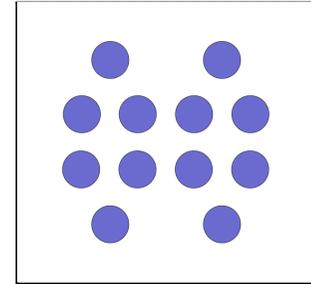

Look at this picture.
What number do these tens frames show? How do you know?
Use tens frames to show the number in three different ways?

Two-Dimensional Space
If possible, view this video on 2D Shapes, again:
<https://youtu.be/PqDxLCXRPyw>

Mathematics
Number Talk

Look at this picture.
How many can you see?
What patterns can you see?
Can you draw your patterns?

Two-Dimensional Space
Take a look at the quadrilaterals and hexagons below.

What do you notice about

Mathematics
Number Talk

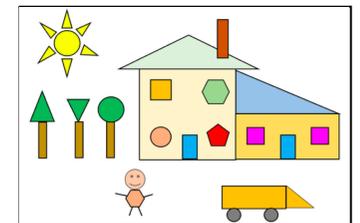

How many different ways can show the number:

Can you represent 14 using:

- Words?
- Tens frames?
- Dice patterns?
- Tally marks?
- Number sentences?
- Number lines?

Two-Dimensional Space
Take a look at the picture below. See Page 7 for a larger version.

What are 'sides'? What are 'vertices'?

Draw a picture using 2D shapes. You might like to use squares, circles, triangles and rectangles. Count and name which shapes you use.

You can find examples of 2D shapes in and around your home.

How many examples of circles and triangles can you find in your home?

Shape	Examples
Circle	
Triangle	

You can find examples of 2D shapes in and around your home.

How many examples of squares and rectangles can you find in your home?

Shape	Examples
Square	
Rectangle	

quadrilaterals? What do they all have in common?

What do you notice about **hexagons**? What do they all have in common?

All quadrilaterals have 4 sides. Can you name these quadrilaterals?

There are 6 different types of 2D shapes in this picture.

Name the 6 different shapes in the picture and count how many of each you can see.

Shape	Amount

Break

Afternoon

PDHPE

If possible, try this workout: <https://youtu.be/lxF0iayJR-s>

OR

Perform a 10 minute workout.
